SUBJECT: MATERIAL INFORMATION

In accordance with Section 96 and 131 of the Securities Act, 2015 and Clause 5.6.1 of the Pakistan Stock Exchange Regulations, we hereby make disclosure of the following information:

Keeping pace with the increasing demand of Company's product, Pakistan Synthetics Limited hereby announces the signing of a contract with SACMI Imola Italy to procure two new additional systems of plastic closure manufacturing machines. Additionally, the Company has entered into an agreement with Pragmatic Engineering Solutions FZE and Sungrow Power Supply Co. Ltd., China for supply of Bess solutions of 10mW/20mWh battery solutions (BESS).

The BESS will enable solar energy stored during the day to be utilised during peak demand hours, helping with lower grid electricity consumption and consequently reduction in energy costs. The project is scheduled for completion by the end of financial year 2027.

This investment reinforces the company's commitment to operational excellence, sustainability, and increase long-term stakeholder value.

You may please inform TRE Certificate Holders of the exchange accordingly.

Yours faithfully,
For Pakistan Synthetics Limited

Muhammad Imran
Company Secretary
